

EURAXESS project ERA TALENT Platform

Webinar on Orientation and Self Assessment of Researchers Advanced Seminar for EURAXESS Staff

Online Session (Zoom): <https://zoom.us/j/97195695733>

6 March 2024, 1:30 to 3 pm (CET)

Based on the basic webinar on orientation and self assessment of researchers, we would like to explore tools and materials available on the EURAXESS Career Development section, which helps researchers to guide them through their professional path. In this webinar we would like to focus on the EURAXESS Career Development Plan as well as the importance of EURAXESS tools for early career researchers in search of interesting jobs in non-academic sectors.

This webinar is dedicated to share experiences and best practices for supporting researchers' career and is suitable for both newcomer and experienced staff.

Speaker(s):

- Christine Hudetz & Mareike Kerschbaum, LGB Career Center
- Lucia Salto, University of Turin
- Moderation: Verena Katscher, OeAD
